PERSONAL + FAMILY BIBLE READING GUIDE

PROVERBS 7:3

TIE THEM ON YOUR FINGERS AS A REMINDER. WRITE THEM DEEP WITHIN YOUR HEART.

The regular input of scripture has always been a somewhat challenging enterprise for those who are followers of and therefore disciples of Jesus. All of us must confront issues of laziness and lack of discipline, the sins of the flesh, and the pride of life (1 John 2:16). And there are additional pressures. Life moves pretty fast and we can find ourselves sacrificing the important on the altar of the urgent. The constant sensory input from all sides is increasingly addictive - we become used to being entertained and diverted, and it is difficult to carve out the space and silence necessary for serious and thoughtful reading of Scripture. This is a guide to encourage and help you to that place. Project 73 is a modification of a bible reading plan first developed a century-and-a-half ago by a Scottish minister, Robert Murray M'Cheyne.

You can use this guide for your personal time of devotion, or use it with your family and children or both. Any project worth doing takes time, many weeks in fact, seventy three of them. Over these weeks you will read through the entire Bible once and through the Book of Psalms twice. In committing to Project 73 always keep in mind though that the end is not to just read Gods word, but to personally know the God of the word through His Son, Jesus Christ.

“Commit yourselves wholeheartedly to these words of mine. Tie them to your hands and wear them on your forehead as reminders. Teach them to your children. Talk about them when you are at home and when you are on the road, when you are going to bed and when you are getting up. Write them on the doorposts of your house and on your gates, so that as long as the sky remains above the earth, you and your children may flourish in the land the LORD swore to give your ancestors.” Deuteronomy 11:18-21 NLT.
