## **A Blessing to be spoken by a Husband over a wife**

MY Wife - My Friend

I feel really blessed  
to have someone so special as my wife,  
Your love, support and commitment  
never ceases to amaze me.  
You can do so many things at once  
and still find the time,  
to make me feel loved and respected.  
You are so unique!  
Please forgive me if I take you for granted,  
even for a day,  
because the truth is  
that I truly love you  
and appreciate everything you do for me.  
You are my wife,  
my sweetheart, my lover  
and my very best friend.  
I'm so grateful for the gift I have in you.

My heart is yours - always and forever

## **A Blessing to be spoken by a Child over a Mother**

### My Beautiful Mum

Just thinking of you dear mother of mine,  
warms my heart every time.  
You're one of a kind, you're like no other,  
you're a truly loving  
and wonderful mother.  
When the world turns away you are always there,  
showing warmth and kindness and tender care.  
You're someone that I respect and admire,  
with qualities to which I really aspire.  
I cherish the moments we've shared together,  
and will hold those memories in my heart forever.  
I could never repay all that you've done,  
you're a giving and thoughtful and fabulous mum.  
You're wise, you're sincere, your heart is true,  
God made a special woman,  
when He made you!  
I love who you are, not just what you do.  
That's why my heart smiles,  
when I think of you!

I love and appreciate you very much
