THE RED DOOR 73 PROJECT

The Red Door Community Church has an app for both iPhone and Android. In this app you will find the fifth edition of Project 73, starting on Monday the 25th May 2020, lasting 73 weeks (but you can jump in at anytime). This app also gives easy access to our weekly podcasts, media, calendar of events and simple tools to journey towards greater levels of connection and involvement with The Red Door family. For further details please visit www.thereddoor.cc/73 or just search in the app store 'The Red Door Community Church'.

Regular input of scripture has always been a somewhat challenging enterprise for those who are followers and therefore disciples of Jesus. All of us must confront issues of laziness and lack of discipline, the sins of the flesh, and the pride of life (1 John 2:16). And there are additional pressures. Life moves pretty fast and we can find ourselves sacrificing the important on the altar of the urgent. The constant sensory input from all sides is increasingly addictive and we become used to being entertained and diverted, so it is difficult to carve out the space and silence necessary for serious and thoughtful reading of Scripture. This is a guide to encourage and help you to that place.

Project 73 has two parts. The first is based on the reading plan from 'The Bible In One Year' by Nicky Gumbel the pioneer of Alpha - you can use this for your personal devotion time. The second is a 'highlights of the Bible' reading guide that you can use with your family and children. You can choose to do both or just one, its up to you. Anything worth doing takes time, Project 73 is reading the whole Bible over seventy three weeks. In committing to Project 73 always keep in mind though that the goal is not to just read God's word, but to personally know the God of the Word through His Son, Jesus Christ, (refer to page 19 for more guidance on this).

Commit yourselves wholeheartedly to these words of mine. Tie them to your hands and wear them on your forehead as reminders. Teach them to your children. Talk about them when you are at home and when you are on the road, when you are going to bed and when you are getting up. Write them on the doorposts of your house and on your gates, so that as long as the sky remains above the earth, you and your children may flourish in the land the LORD swore to give your ancestors.
Deuteronomy 11:18-21

The following is an optional guide to assist you in your Project 73 private daily readings.

As you read, be ready for particular verses to stand out, or choose the verses that are most striking and helpful to you. Read them three or four times. Then make a list of everything they say about God (Father, Son, and Holy Spirit). List anything they tell you about yourself. Finally, list any examples to be followed, commands to be obeyed (or things to be avoided), and promises to claim. When this is done, paraphrase the thought or verse/s in your own words.

To meditate on this passage write down answers to the following questions:

1. What does this text show me about God for which I should praise or thank Him?
2. What does the text show me about my sin that I should confess and repent of? What false attitudes, behaviours, emotions, or idols come alive in me whenever I forget this truth?
3. What does the text show me about a need that I have? What do I need to do or become in light of this? How should I petition (ask) God for it?
4. How does the grace I have found in Jesus give me confidence in helping me overcome the sin I have confessed or in answering the need I have?
5. How would this change my life if I took it seriously - if this truth were fully alive and effective in my inward being? Also, why might God be showing this to me now? What is going on in my life that he would bring this to my attention today?

Finally pray each of the meditations: adoration, confession, petition and thanksgiving for Jesus and His salvation. Pray for your needs and pressing concerns. Take time just to listen to God, enjoying Him and His presence.
