THE BIBLE RECAP

The Bible Recap is a short podcast (8 minutes per day) by Tara-Leigh Cobble. She'll highlight and summarise that day's Project 73 reading in a casual, easy to understand way to not only help you read scripture but to love reading it! Each day you follow Project 73, do the The Bible Recap after you've finished reading (by scrolling down the episode list until you find the day number you are at). Bible Recap episodes can be found by clicking on the logos to the left or by visiting www.tiny.cc/biblerecap. For more info visit www.thebiblerecap.com.

The regular input of scripture has always been a somewhat challenging enterprise for those who are followers of and therefore disciples of Jesus. All of us must confront issues of laziness and lack of discipline, the sins of the flesh, and the pride of life (1 John 2:16). And there are additional pressures. Life moves pretty fast and we can find ourselves sacrificing the important on the altar of the urgent. The constant sensory input from all sides is increasingly addictive and we become used to being entertained and diverted, so it is difficult to carve out the space and silence necessary for serious and thoughtful reading of Scripture. This is a guide to encourage and help you to that place.

This edition of Project 73 has two parts. The first is a chronological journey through the entirety of the bible that you can use for your personal devotion time. This first plan is also available on the Red Door App. The second is a 'highlights of the Bible' reading guide that you can use with your family and children (only available on this pdf). You can choose to do both or just one, its up to you. Any project worth doing takes time, many weeks in fact, seventy three of them. In committing to Project 73 always keep in mind though that the end is not to just read Gods word, but to personally know the God of the word through His Son, Jesus Christ, (refer to page 18 for more guidance on this).

*Commit yourselves wholeheartedly to these words of mine. Tie them to your hands and wear them on your forehead as reminders. Teach them to your children. Talk about them when you are at home and when you are on the road, when you are going to bed and when you are getting up. Write them on the doorposts of your house and on your gates, so that as long as the sky remains above the earth, you and your children may flourish in the land the LORD swore to give your ancestors. **Deuteronomy 11:18-21***

This is a guide to assist you in your Project 73 private daily readings.

As you read, be ready for particular verses to stand out, or choose the verses that are most striking and helpful to you. Read them three or four times. Then make a list of everything they say about God (Father, Son, and Holy Spirit); listing anything they tell you about yourself. Finally, list any examples to be followed, commands to be obeyed (or things to be avoided), and promises to claim. When this is done, paraphrase the thought or verse/s in your own words.

To meditate on this passage write down answers to the following questions:

1. What does this text show me about God for which I should praise or thank Him?
2. What does the text show me about my sin that I should confess and repent of? What false attitudes, behaviours, emotions, or idols come alive in me whenever I forget this truth?
3. What does the text show me about a need that I have? What do I need to do or become in light of this? How should I petition (ask) God for it?
4. How does the grace I have found in Jesus give me confidence in helping me overcome the sin I have confessed or to answering the need I have?
5. How would this change my life if I took it seriously - if this truth were fully alive and effective in my inward being? Also, why might God be showing this to me now? What is going on in my life that he would be bringing this to my attention today?

Finally pray each of the meditations: adoration, confession, petition and thanksgiving for Jesus and His salvation. Pray for your needs and pressing concerns. Take time just to listen to God, enjoying Him and His presence.
